Dear Parents,

Greetings from GDGPS.

After COVID-19, now the reopening of school is really exciting as all were waiting for this moment to happen. The school shall resume teaching learning process from Feb 5th 2021 for the students of classes from grade IV to IX. The school timings shall be from 09:15am to 01:30pm.

The transport facility shall be provided to our students on request.

You are requested to note the following points to accelerate the teaching-learning process:-

1. Students must wear mask when they board the buses.
2. Students must carry a bottle of sanitizer along with them.
3. Students are advised to carry the books/notebooks as per their respective time table.
4. If any child is suffering with fever, cold or cough, he/she should stay at home.
5. Parents are requested to provide homemade food to their wards as canteen facility shall not be available.
6. You are requested to deposit the pending tuition fee along with transport fee (Feb & March) by 15th February'2021 as the organisation cannot run smoothly without your support.

I thank you all for being supportive and responsible towards the most important section, that is EDUCATION.

Let us remember: One book, one pen, one child and one teacher can change the world.

Regards
